Attorney Docket No. UNTD:010

OFFICE OF PETITIONS

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed September 9, 2005, to revive the above-identified application.

This application became abandoned for failure to respond to the Notice Regarding Drawings mailed March 31, 2005. A Notice of Abandonment was mailed on August 4, 2005.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Since the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of twenty-nine (29) sheets of formal drawings containing Figures 1a-15; (2) the petition fee of \$750; and (3) an adequate statement of unintentional delay. Therefore, the petition is **GRANTED**.

This application is being referred to the Office of Publications for further processing into a patent.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3226.
